

8 Technology Gifts You'll Wish You Bought for Yourself!

Traveling home for the holiday? Packing gifts for your entire list isn't always possible. InMotion Entertainment shares their picks for everyone on your list to pick up along the way.

1. QFX Retro Turntable

As lovers of music, we like the option of having both analog and digital sounds fill the air. This turntable, which also includes a rechargeable battery, is encased in an old school faux-weathered suitcase making it perfect for travel. — \$130

2. Beats Pill +

The Pill is easy to swallow or rather travel with and sounds way bigger than it looks. It's sleek, works great in any room, and offers an intuitive interface with clear consistent bluetooth connectivity. — \$230

3. Bose Triple Black QC25

When we get on a plane we want to sit down, plug in, and get comfortable. Not only do these noise-canceling headphones offer balanced and powerful sound, they also block out the noise of the rest of the world. The perfect gift for your frequent traveler. — \$300

4. Jawbone UP2

FINALLY someone made a cool looking fitness tracker. The UP2 can track the amount of steps you take each day, distance traveled and calories burned. It's lightweight and offers sleep tracking, too. Simple to use and comfortable, it's the perfect accessory to give this season. — \$99

5. Jabra Sport Coach

When the UP2 (see above) says it's time to get moving, hit the gym with these earbuds. With more than 40 workouts to choose from, they bring the coach right to your ear along with your favorite music. — \$150

6. Swagway Self Balancing Board

Who doesn't love the Back to the Future movies? Like us, you probably thought we'd all have hoverboards and DeLoreans. The DeLorean may be dust, but the future is now with the Swagway! — \$500

7. GoPro Hero4 Black Camera

The best way to capture the moment and make memories. The HERO4 Black packs the power of GoPro into a small, light, and convenient camera. Great for vacation, family and school events — images are clear and ready to share! — \$300

8. Moshi iGlaze Armour & iVisor Glass

Have someone on your list with a tendency to drop their phone? The Moshi iGlaze Armour, coupled with the Glass shield is a lifesaver. The combo protects against shock while still looking sleek and elegant. — \$40 each
